AT&T and ASUS announced the commercial availability of the ASUS ZenFone 2E, powered by a dual-core Intel® Atom™ processor and Intel® XMM™ 7160 LTE modem. The Intel Atom processor enables efficient multitasking and performance in a sleek, five-inch HD phone. The phone will be available for US$119 on an AT&T pre-paid GoPhone® plan at AT&T stores nationwide on July 24th, and other national retailers including Walmart*, Target* and Best Buy*.

The ASUS ZenFone 2E powered by an Intel Atom processor and Intel LTE modem, is a budget-friendly option starting at US $119.
